

Seminar on Promotion of Gems and Jewellery Export and Education on Natural & Synthetic Diamonds

By GJEPC, New Delhi and GIA India

11th April, 2018

11th April, 2018

An interactive seminar on promotion of gems and jewellery segment from Northern Region of the country was organised by Regional Office-Northern Region in association with GIA India on 11th April, 2018.

Key Highlights of the Seminar

- At the outset, Shri Ravi Kishore Aggarwal, President, Meerut Bullion & Traders Association welcomed the members present in the seminar and expressed his gratitude to the Council for organizing this seminar in Meerut.
- Shri Ashok Seth, Regional Chairman-North, GJEPC addressed the gathering and informed them about the industry and the Council. He mentioned about the Quick Check Machine launched by GII Mumbai to identify the presence of synthetic diamonds. He informed the industry/trade associations that the Council is ready to sell this machine at 50% subsidy.
- Thereafter, Shri K.K.Duggal, Director-Policy made a detailed presentation on the Indian gems and jewellery industry, its current status, about GJEPC, their roles and functions in promoting this labour intrinsic sector internationally.
- Ms Nirupa Bhatt, Managing Director- GIA India and Middle East made a detailed presentation and educated the members on the threat of mixing of synthetic diamonds with natural diamonds.
- Shri Akash Mangolik, Vice President of Meerut Bullion & Traders Association and Secretary of Meerut Gems and Jewellery Export Promotion Society gave the vote of thanks.

The seminar was attended by 125 members.

Glimpses of the Seminar on Export by MSME and Synthetic Diamonds
