Rajkot being a hub of Jewellery manufacturing it has immense potential to enter the global trade and they must think it as an opportunity to expand the business. Keeping it in a view the Membership Registration cum Awareness Camp was organized at Rajkot to spread the awareness on benefits of GJEPC's membership among the trade members of Gems & Jewellery Industry of Rajkot. Trade members were explained the various activities and initiatives taken by GJEPC in Gujarat and National Level and how it benefits the trade.

In addition, they were also guided on online process of IEC application and registration of GJEPC Membership with live demonstration.

Jewellers, Exporters and Members of local association approached the officials at camp and gained knowledge on GJEPC's activities and initiatives across India. Also, they took note of the required documents and process to get membership of GJEPC. They were guided on Membership benefits, Membership certificate, RCMC Application, Fee structure of membership. In addition, the services like modification of RCMC or Membership data was also given to existing members of GJEPC.

All of the above parties were guided on the process.
