

Seminar on Export by MSME and Synthetic Diamonds

By GJEPC, New Delhi and GIA India

30th June 2018

An interactive seminar for MSME segment of Indian Gems and Jewellery Industry was organised by Regional Office-Northern Region in association with GIA India on 30th June 2018.

Key Highlights of the Seminar

- At the outset, a detailed presentation on Indian Gems and Jewellery Industry, GJEPC, its activities, IGI-GTL, IIGJs was given by **Shri K.K. Duggal, Director-National Policy**. Thereafter a presentation on GIA activities, formation of a natural diamond on Earth, properties of natural and synthetic diamonds, detection of synthetic diamond etc was given by **Ms Nirupa Bhatt, Managing Director- GIA** of India and Middle East.
- **Dr P.G.S Rao, Director, Ministry of MSME** was the Chief Guest of the seminar. He gave a detailed insight on all the schemes being announced and implemented by the Government of India to strengthen the MSME segment which is the backbone of Indian economy. Scheme like registration of a manufacturing unit (under Udyog Aadhar Scheme), getting finance to run the unit (under Mudra Yojana Scheme), procurement of raw material (under raw material assistance scheme), skill development scheme and MDA/MAI schemes. CFC scheme was also mentioned by Dr Rao.
- **Shri Prem Nath, Vice President, SMC Comtrade LTD** highlighted the issues of price risk management of gold for jewellery exports.
- In the end, **Shri Ashok Seth, Regional Chairman-North** thanked Dr Rao and Shri Prem Nath for sparing time from their busy schedule to address the gathering today. He also stressed on the need on organising such seminars at regular intervals for the benefit of all the member exporters of the Council and industry.

The seminar was attended by around 75 members.
