Dear Dolly,

Good evening.

This is to inform you that i have a confirmation that at minimum 50 people from Khar Gymkhana attended the iijw 2015 show which you and your team have brilliantly organized.

Being in the Woman's Empowerment Committee i saw to it my committee members and the Khar Gymkhana Committee members attended the show. More wanted passes for the night show and finale.

I also saw to it that the standee was put at an advantageous point for all to see when they entered.

Hopefully i will try to get some TV actresses and starlets to attend the show next time.
My fees for the same is Rs.15,000 as finalized by Mr.Sanjay Kothari though i had asked for Rs.20,000/-

You may have the cheque ready in the name of M/s. Azra Creations.
And in whose name should i make the bill?

Thanking you,

Truly,

Azra Aly Pawaskar

To, Ms.Nikita,

As per our telephonic conversation, I am putting forth the quotation for 5 hostesses for IIJW 2015 for 4 days.

The quote per hostess per day will be Rs.2,000/-.

Poonam & Mittal have been doing the IIJW since 2011.

Kavya & Bhakti have done the IIJS & Signature on atleast one occasions each, both are Punctual & Sincere.
Shivangi has done several events with 70's.

Alice has never done IIJW or IIJS, but has done other events & is damn excited about IIJW, brings a lot of energy.

My recommendations would be - Poonam, Mittal, Kavya, Bhakti, Alice & Shivangi.

Thanks & Regards - Vaibhav.

15th July 2015

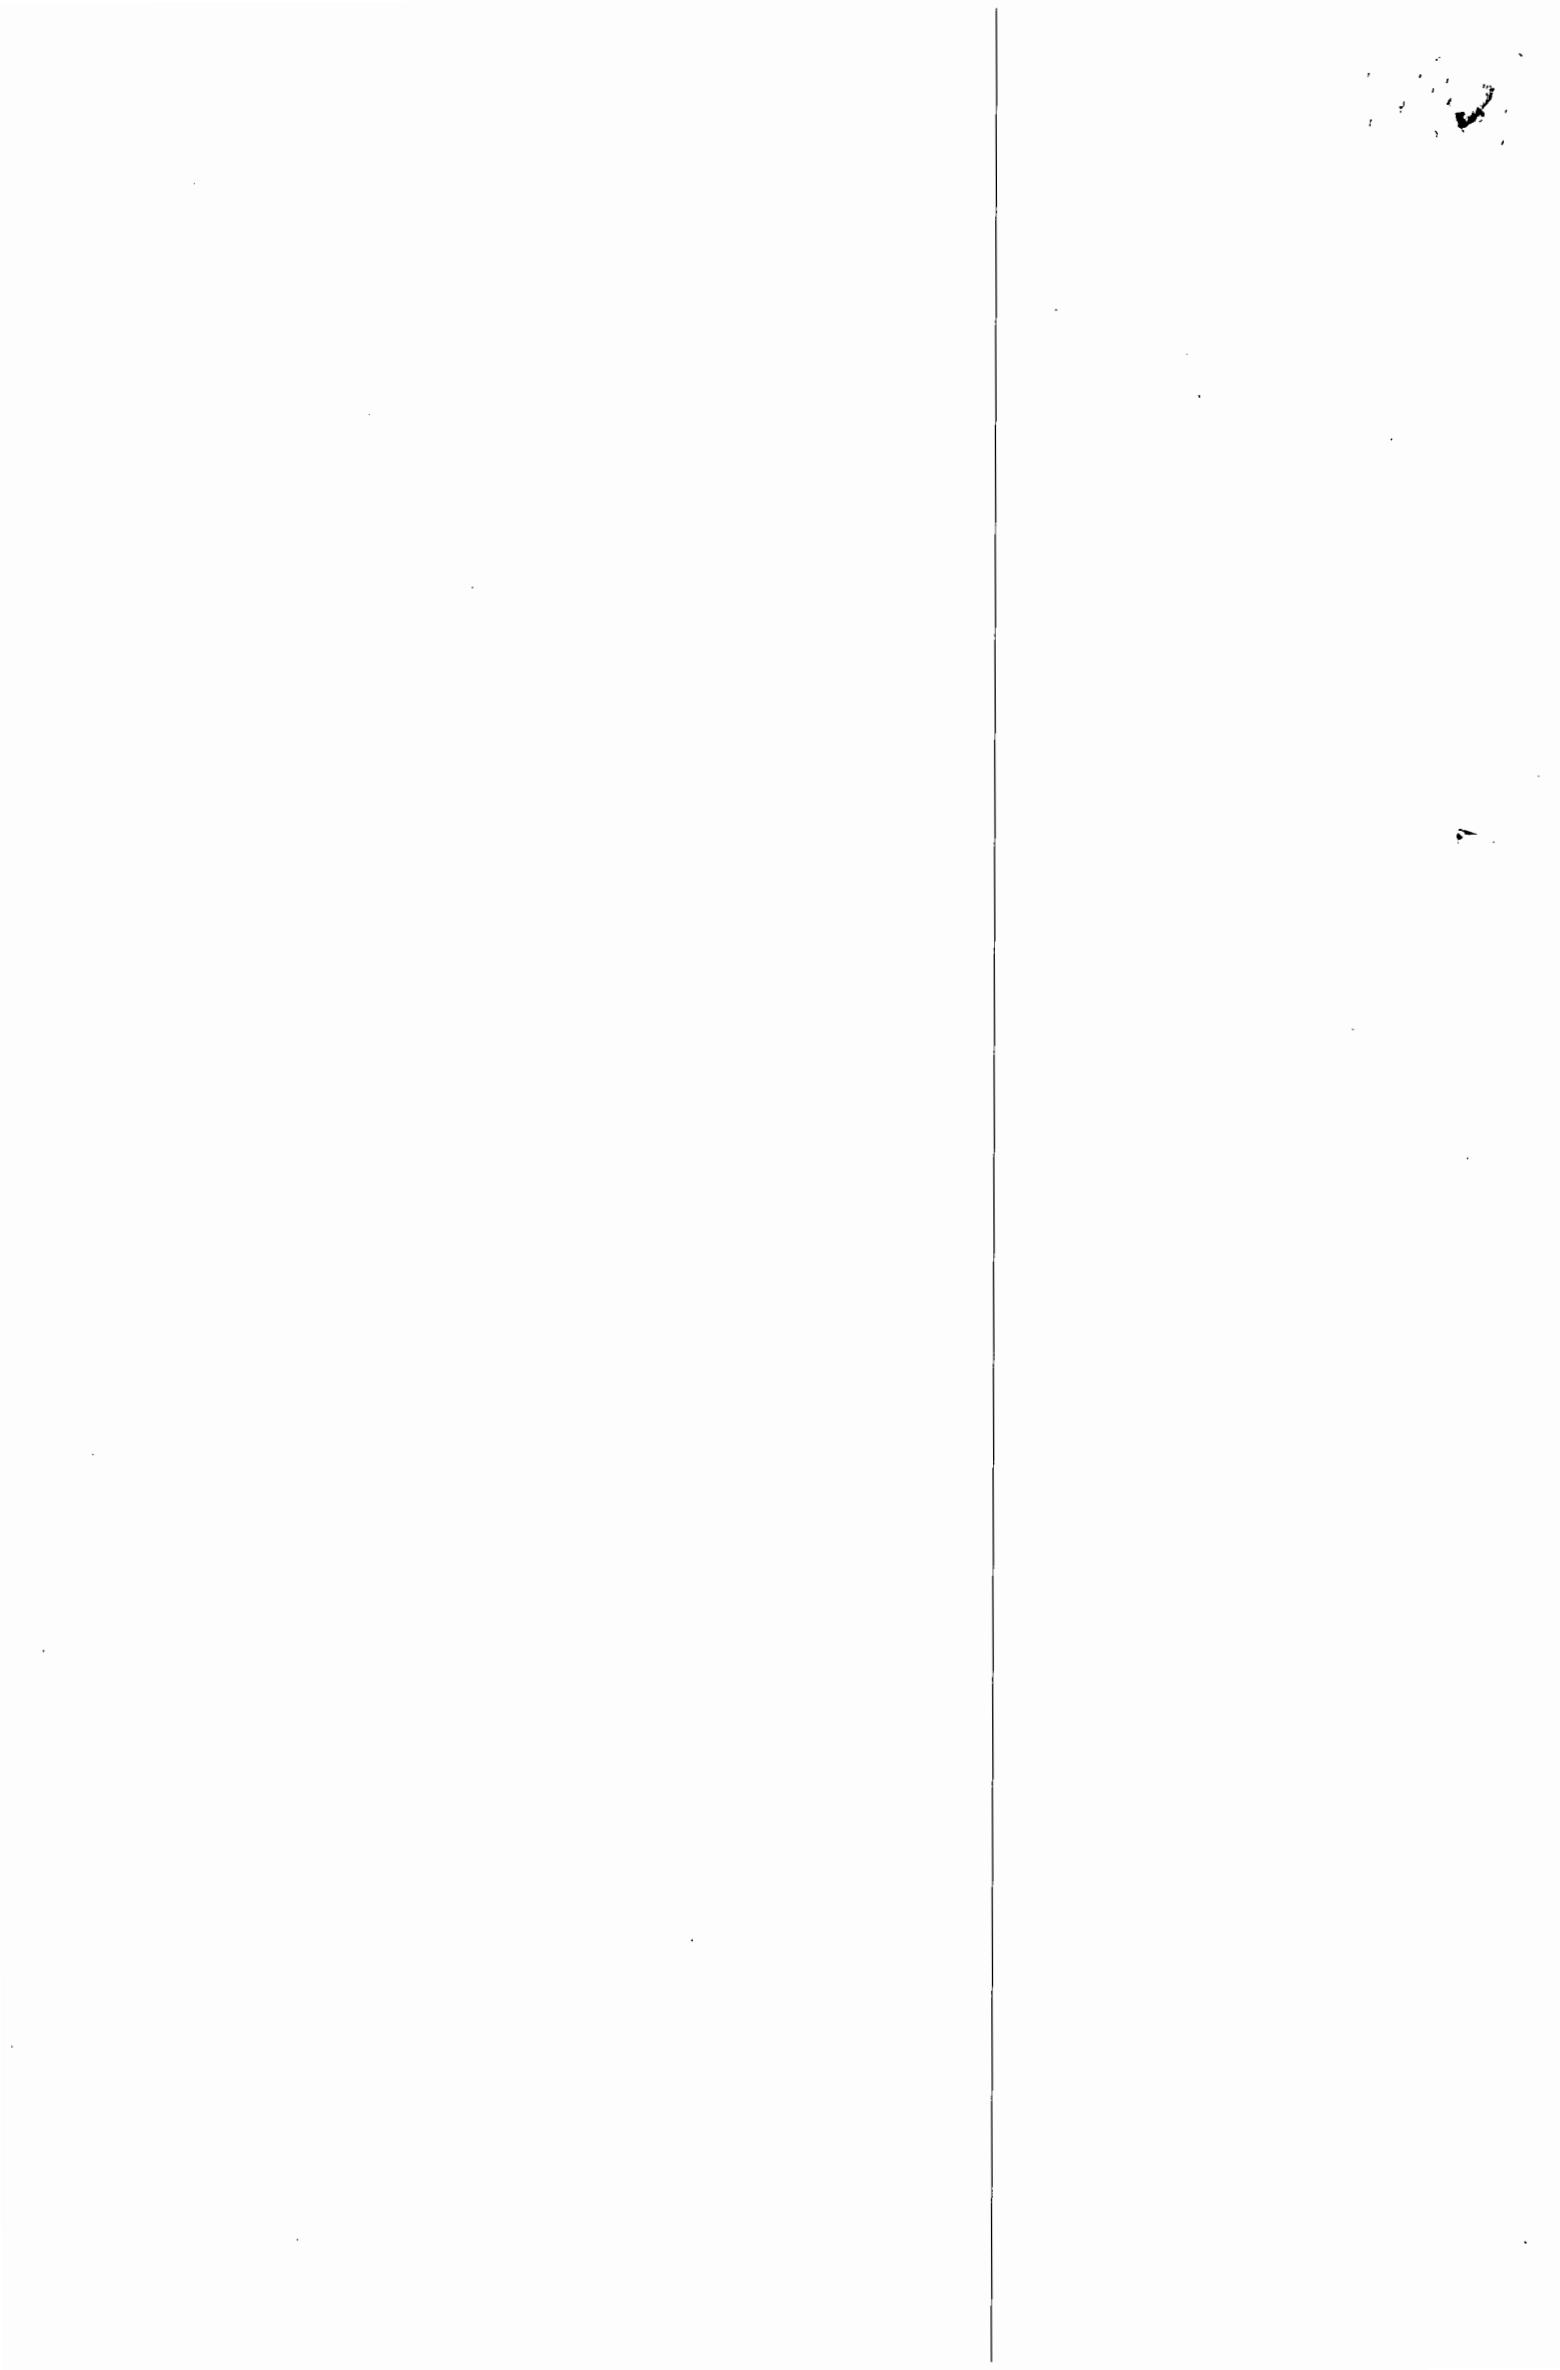

Dear Sir,

Please find below the estimate as required by you. As per Sanjay Bhai's request – I have reduced the budget even further this year. Now the cost works out to Rs 32,300 per show.

The per show rate and per head costs are specified – so in case the number of shows increase or decrease or manpower requirement changes– you can calculate the new totals.

Like last year – for the finale – we are charging for 3 shows instead of 4 even though both the teams will be working on both the shows.

<u>PARTICULARS</u>	<u>AMOUNT</u>
Wardrobe Manager x 20 shows x Rs 26,000 per show	520000
Assistant x 20 shows x Rs 3,000 per show	60000
Jewellery Assistant x 20shows x Rs 3,300 per show	66000
Finale show (Both Groups of Backstage)	
Wardrobe Manager x 3 shows x Rs 26000 per show	78000
Assistant x 3 shows x Rs 3,000 per show	9000
Jewellery Assistant x 3 shows x Rs 3,300 per show	9900
CHEQUE TOTAL (SERVICE TAX ADDITIONAL)	7,42,900

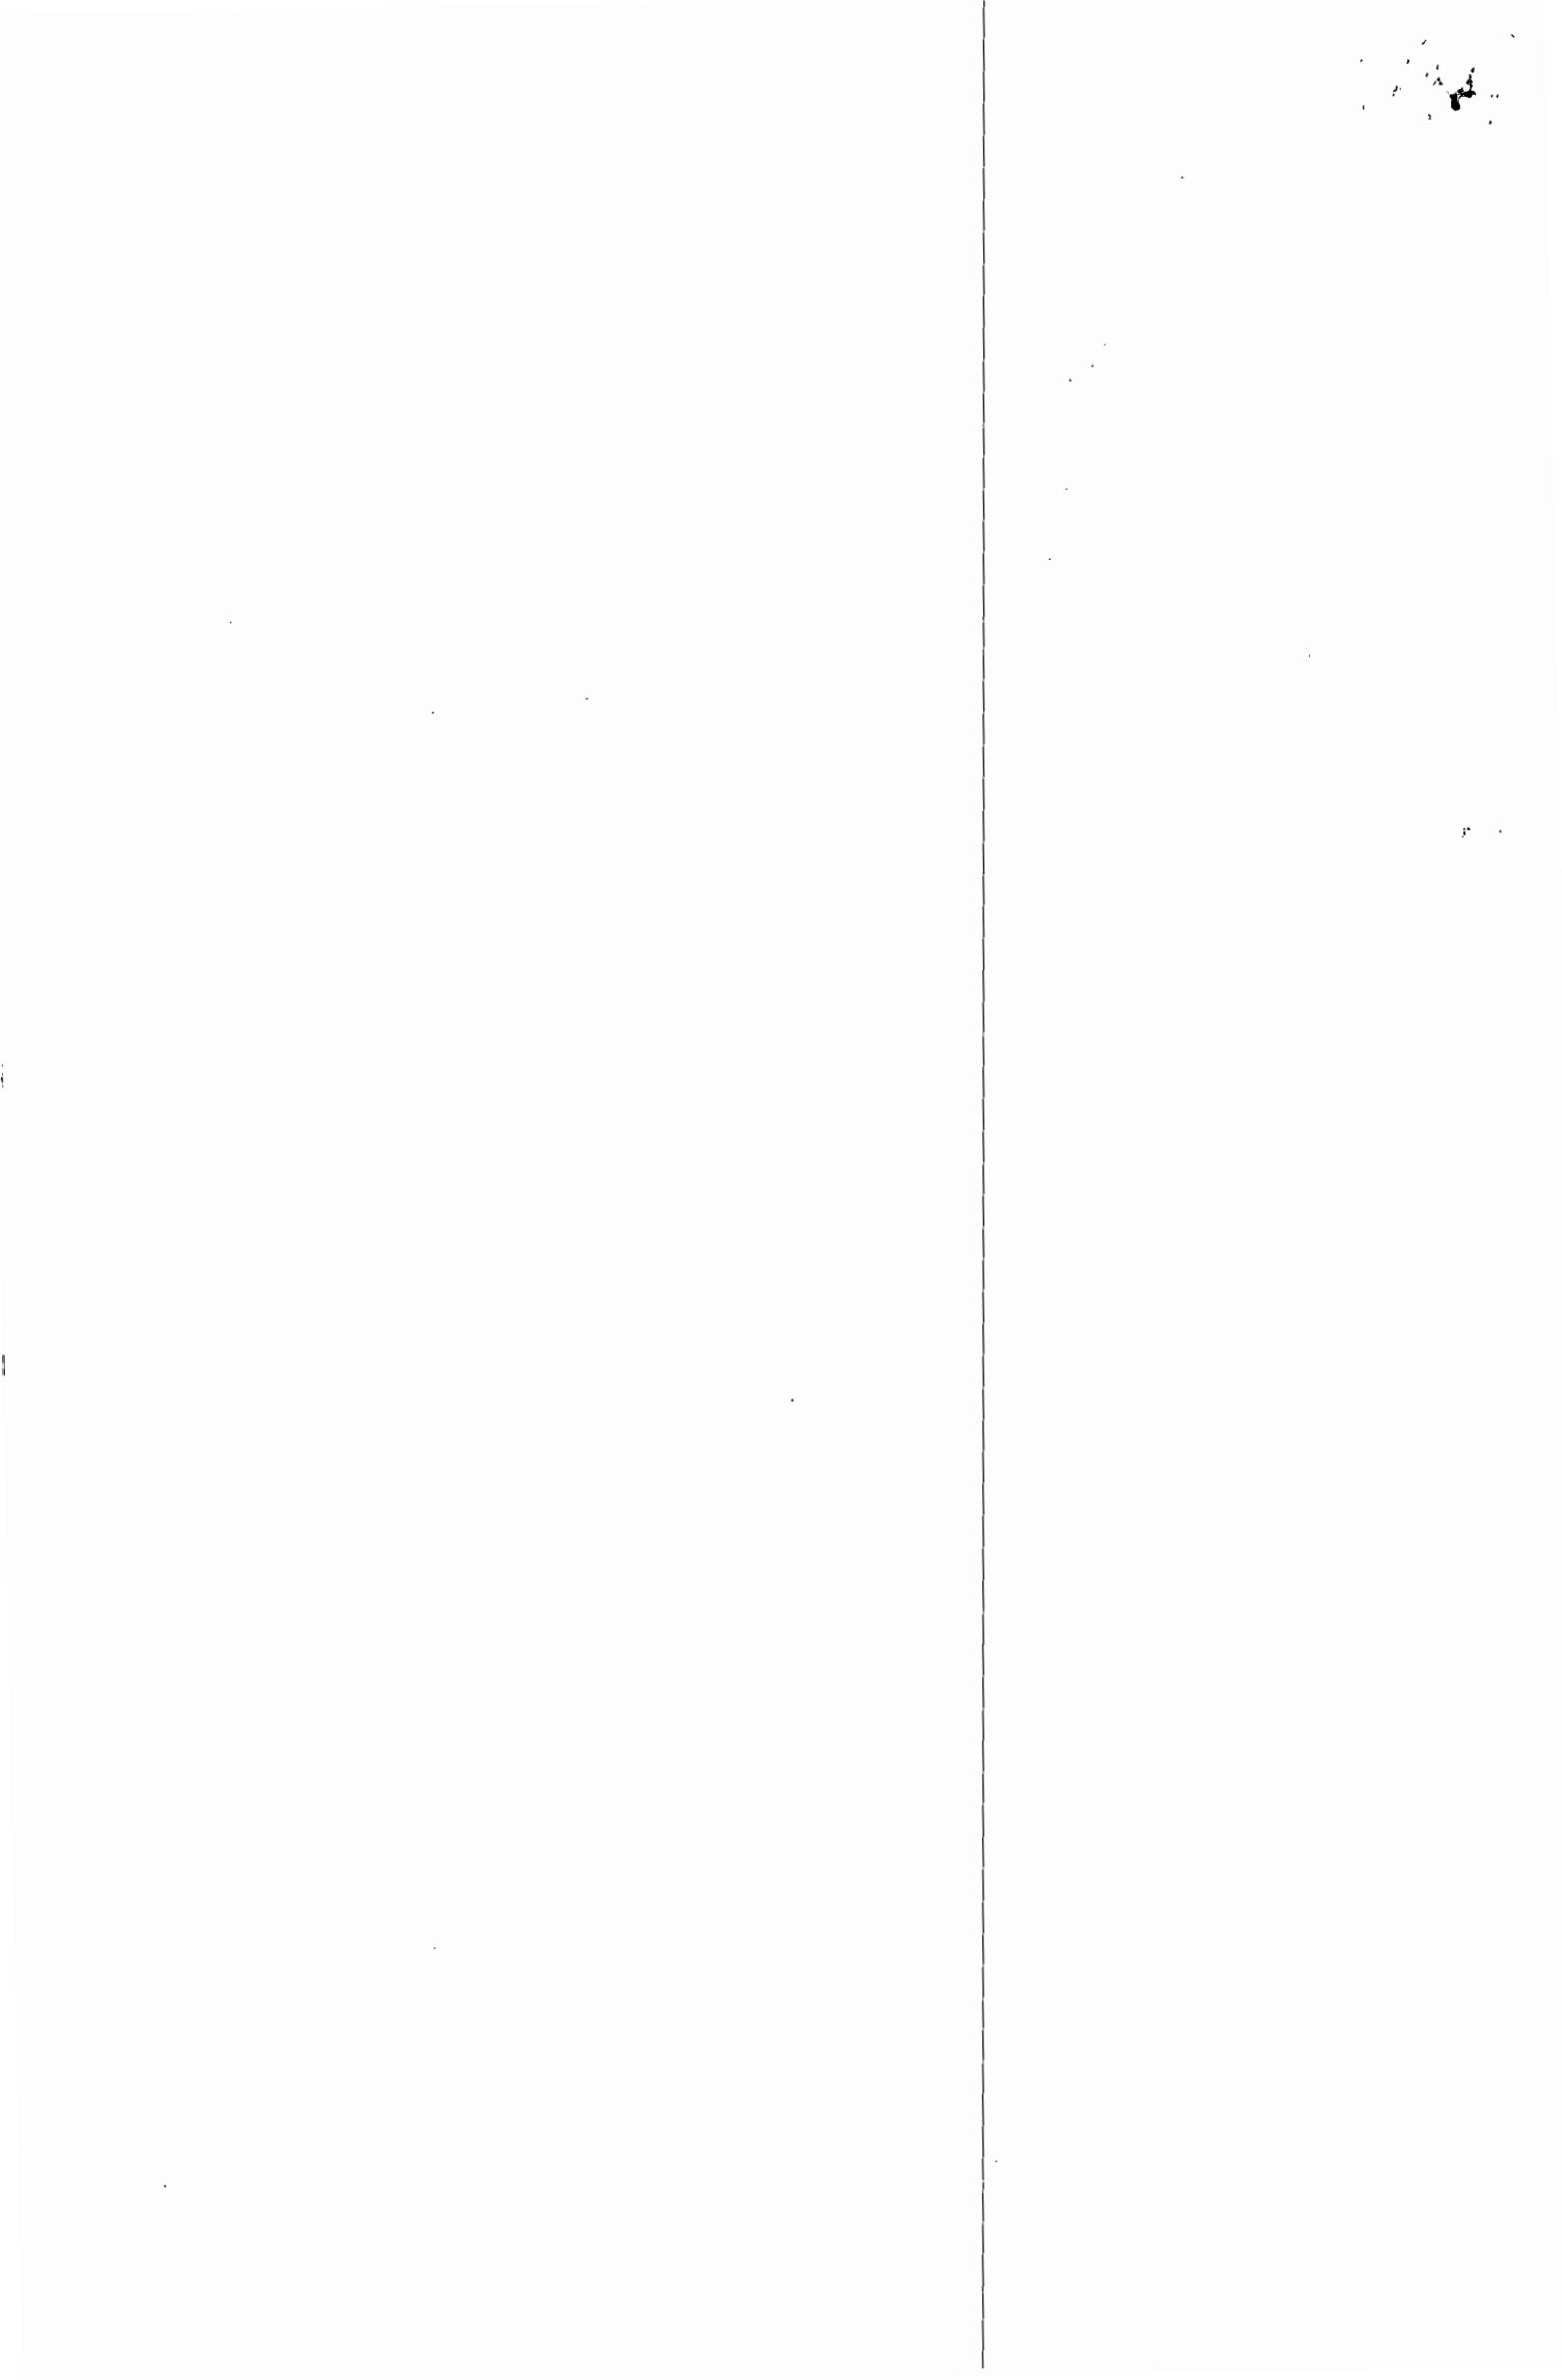

► on cue productions

SUPPORT STAFF DETAILS (Cash Payment)	
As per this years requirements	
2 Dressers for Fittings & 4 days of show x Rs 800 x 2 Days	9600
1 Tailor x 2 days of fitting x Rs 3000 per day	6000
32 Dressers x 4 days of shows x Rs 800 per dresser per Day	102400
4 Production Boys x 6 Days x Rs 1500 per day	36000
8 Ironing Men x 4 Days x Rs 2500 per person per day	80000
5 Steamer Hire x 4 Days x Rs 750 per steamer per day	15000
Miscellaneous Cash towards expenses incurred	25,000
CASH TOTAL	274000

Please note that any show with has more than 25 people (models or celebrities) walking the ramp in a single show – it will need to be treated as double billing as both the teams will need to work on it.

Also do note that we would require 2 rooms at the hotel from the 1st day of fittings to the last day of the show.

► on cue productions

Terms of Payment:

50% Advance on confirmation

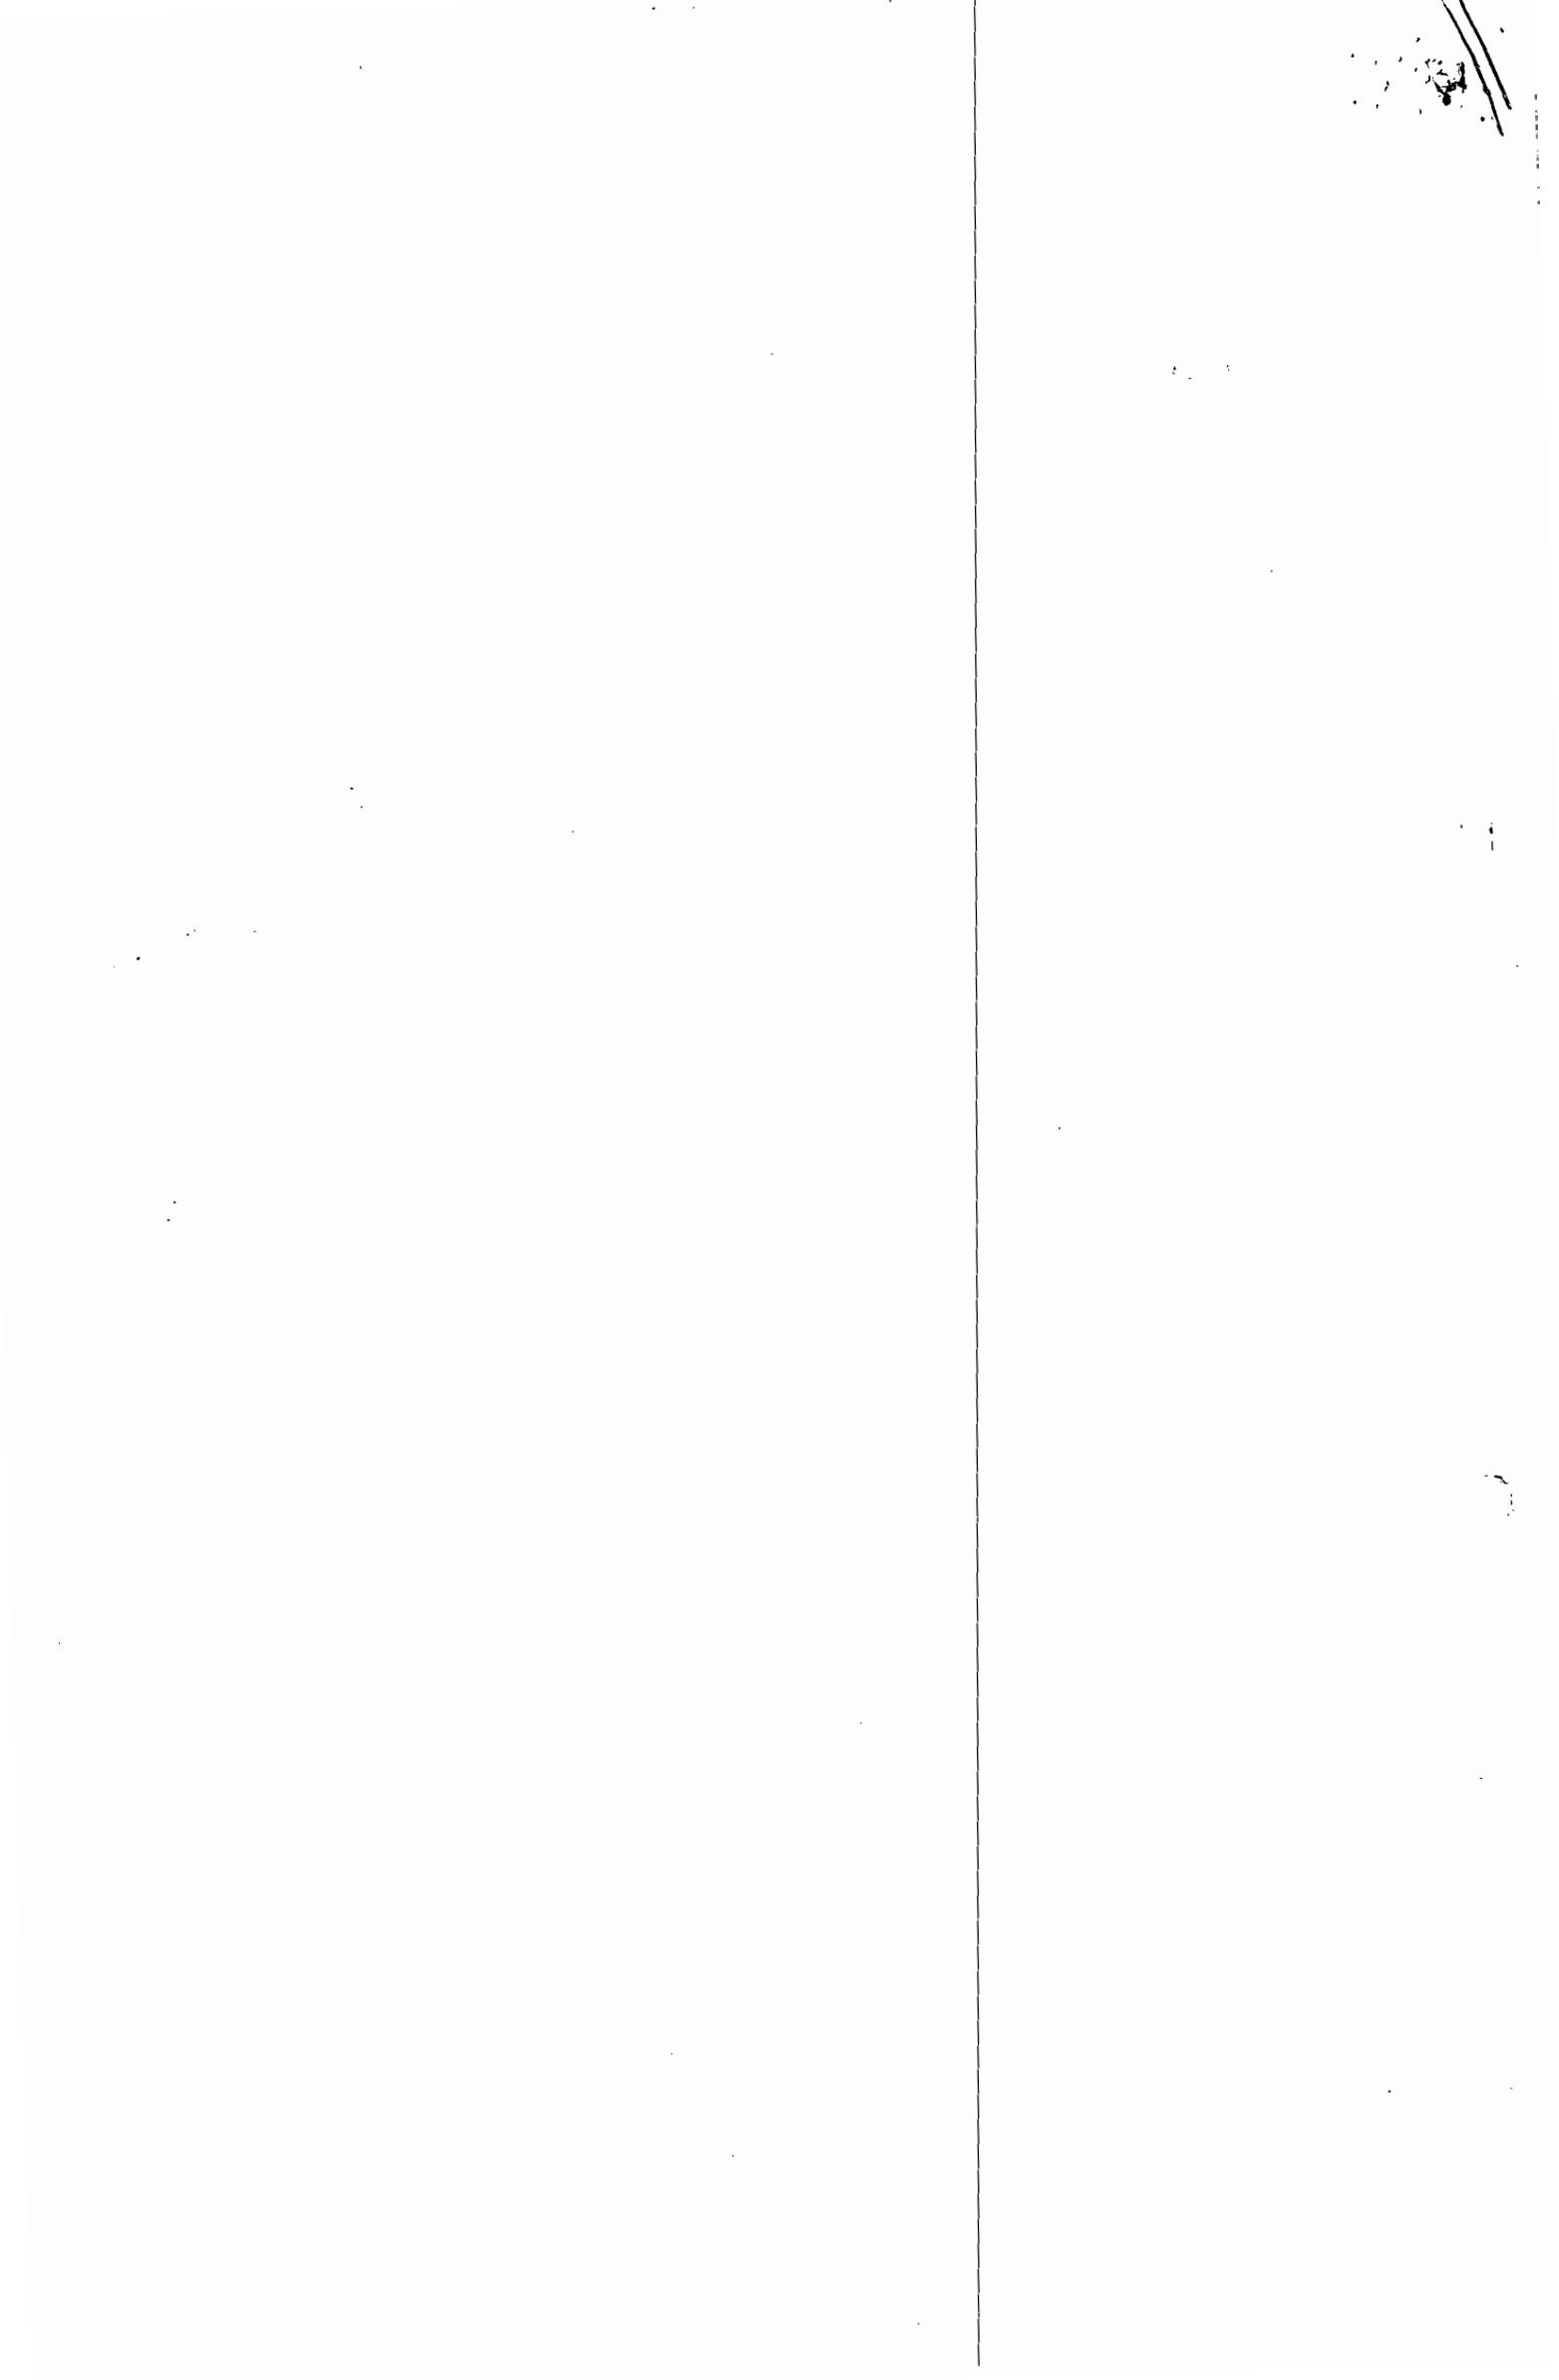

50% balance on the last day of the event.

Support staff payment in cash one day before the finale shows.

I trust that you will find the above in order. Please do let me know in case you need any further clarifications or details.

Thanks & Regards,

Rajjo

4) Photo Credit & Copyright....On the approval of the quotation and after the regular supply of the images for media distribution during the Week, the IIJW officials and its PR company has full rights to distribute the images from the Week, however if any individual reporter or publication demands any image/s , i.e. more than 3 images to maximum no. from any show for his/her newspaper/magazine, please ask the person to credit it to as '**Kedar Nene for IIJW**'. This is important as we have noticed that many freelance photographers claim on non-credited pictures in the publications and demand money from the publication. Also official IIJW Photographers' credit to be mentioned during the finale (vote of thanks).

5) Images for the participating designers.....This clause is optional and very clear, if any participating designer wish to have the show images, we will guide them to GJEPC

Internal Audit Report for 01.01.2015 to 31.03.2015

It was explained by officials that grants received (if any) by any government department, corporation, foundation or trust, is utilized solely for the purpose of development activities like market studies, dissemination of trade information, buyer-seller meets, exhibitions, technical training, other promotional activities, etc. only for the purpose it is granted and further it has been confirmed by the officials that there is no mismanagement in the same. Proper monitoring is done by the A & F Committee of the budgeted plan, HO / Concerned Regional offices and expenses incurred against the same.

2.14 RECONCILIATION STATEMENTS REVIEW

- ↳ IGI-GTL, Delhi accounts department officials are maintaining the bank reconciliation statements invariably on monthly basis which found to be satisfactory at present. Still there is no systematic procedure adopted by the institute's officials for cash reconciliation at the end of the day along with inter-unit reconciliation also.
- ↳ Details of Inter Unit accounts as appeared in books are given below:

Name of Account	Balance as on 31.03.2015 (Rs. in lacs)
Regional Office GJEPC, New Delhi	10.07 Cr.
RO Delhi Common- IGI Delhi	4.91 Cr.
Transfer A/c. Exhibition	1.43 Cr.
Head office Delhi IGI	128.53 Cr.

RECOMMENDATIONS AND SUGGESTIONS

Institute should maintain proper records for cash outstanding fees at least weekly basis if any and should implement cash reconciliation at the end of the day and inter-unit reconciliations on monthly/quarterly basis invariably in order streamline the financial transactions and reliability of inter-unit balances. It is also necessary to implement the cash service invoice system for fulfilment of the deficiency mentioned at point no. 2.7 para 2 above to avoid any revenue loss/leakage in the system and make stronger cash handling mechanism. Further outstanding testing fees if any should be immediately recorded with financial module i.e. ERP to get the exact outstanding position of sundry debtors at the end of the week/quarterly/half yearly. It is also hereby recommended that past and latest/updated both tax compliances must be in knowledge to the accounts officials in order to avoid ambiguity in future in regards to tax consequences and its compliances.

Internal Audit Report for 01.01.2015 to 31.03.2015

observed in the quantity/agreed individual item rates, the same is intimated immediately to vendor for correction before sending the approval to the Regional / Assistant Director. After complete examination ensuring accuracy and TDS deduction factor, it is being sent to the Reg./Ass. Director for further processing/payment approval as per the board resolution of individual/joint bank delegated limits for signing cheques of IGI-GTL, Delhi. Further, if any deduction/correction is required in final approval or any deviation is observed, it is again sent to the accounts department for verification/correction, otherwise bill gets passed and payment is released after payment voucher generation, through account payee cheque only to concerned vendors as per the agreed terms/credit period allowed by them.

2.11 STATUTORY COMPLIANCES, ACCOUNTING PROCESS AND CONTRACTS

- ↳ In cases, no contract/agreements were made with the different vendors for supply of different services/products, as clarified to us it is due to extreme emergency cases/ needs and also due to small / short quantity of items / services. For contract cases, officials have explained that generally contract is signed with vendor for value greater than Rs. 10 lacs and only work order/purchase order is issued mentioning proper terms and conditions for below the threshold limits. We concur with the views.
- ↳ IGI-GTL, Delhi, officials does not maintain complete records of TDS certificates issued to various parties on the pretext that it is being issued from HO level.

Internal Audit Report for 01.01.2015 to 31.03.2015

2.8 EMPLOYEE ADVANCES

There was no employee advance during the period under audit except advance petty cash/other misc. prepaid expenses. It was reported by the officials that since advances paid were for the institute's business purpose only i.e. visiting seminars, events, shows, promotion of IGI-GTL, Delhi services, etc., it is approved on provisional basis with proper channel only. All tour & travel and hotel/accommodation expenses are reimbursed strictly only as per the rules and regulations mentioned in Employees Handbook at point no. 15 & 16 and Memorandum and Articles of Association only. Further, the advances allowed are being adjusted / settled while reimbursement of the balance amount or within the stipulated time from the salary as mentioned in employee's rules & regulations book.

2.9 DEBTORS CONTROL & AGEING ANALYSIS

We were provided with the list of debtors and their ledger accounts according to which there was outstanding balance of sundry debtors amounting to Rs. 5,23,399/-, (after reducing advances received from customers of Rs. 21,208/-). The details of major debtors along with advances if any are given below :

Jagan Nath Hem Chand	7,865 Dr.	31,997 Cr.	12,921	-	19,076 Cr.

RECOMMENDATIONS AND SUGGESTIONS

IGI-GTL, Delhi, should implement reconciliation of accounts of debtors / receivables and to send balance confirmation to such debtors / receivables at periodical intervals or at the end of financial year. Considering the deficiencies, IGI-GTL, Delhi is suggested to maintain the list of those debtors from whom payment have not been received due to bouncing of payment / other unavoidable circumstances and outstanding at the month end/outstanding since long. Also, if any reconciliation of the account of major debtors / receivables (say outstanding > 10% of total debtors / receivables) is necessary it should be done immediately and obtain confirmation from such debtors. It will strengthen the collection mechanism and will be an intimation for the debtors for clearing the dues in time if any.

2.10 ACCOUNTS PAYABLE

Payment Process/Approval Authorization

It was verified that once the invoice / bill is received from the vendor / supplier for payment, it is thoroughly examined by the accountant by cross verifying with the purchase orders/quotations/offer letter/e-mail/contract/agreement copies (if any), if any deviation is
